### DOH Corner

Happy New Year! Thank you to all hospitals for confirming receipt of the DY8 Chart/EHR measure results. The DY8 Chart/EHR appeals period has closed and CMS is reviewing the submitted appeals. DOH looks forward to receiving CMS approval and sending the DY8 Final Payment to hospitals.

### DY8 Chart/EHR Measure Results Appeals & Final Payment

Thank you for submitting appeals for the DY8 Chart/EHR measure results as part of the DY8 Final Payment Package. The DY8 appeals period is now closed. DOH has reviewed all submitted appeals and supporting documentation and has sent its recommendations to CMS for approval.

Upon CMS approval, hospitals will be informed of the DY8 Chart/EHR appeal results and the DY8 Final Payment will be distributed to all hospitals. As a reminder, the DY8 Final Payment will be informed by hospitals' performance on non-claims-based (chart-based) measures, the UPP remainder, plus any necessary post-appeals adjustments from DY7 and/or DY8.
