Consult

Brief Education

Pre-Screening:

Patient <u>admitted</u> –4 question pre-screen in RN Assessment

Full Screening:

Coach meets with pt for Full Screening

Brief Intervention

Referral to Treatment

Intervention Coach to Follow Up

Confirm initial visit completed

Confirm continued treatment

Metrics measure success with above

Provider Consortium

O Monthly meeting of area drug and alcohol providers

O During these meetings the following was discussed:

  O Feedback form

  O Funding source directory

  O Weekend treatment services

  O Confirming patient initiated treatment

  O Project barriers

Project Lessons and Achievement

O Completing project pilot
  O August 18th - January 18th
O Initiation of full implementation
  O Began January 19th
O Completed stage one activities
  O Completed in August
O Communication
  O Meeting with senior management on a quarterly basis

Project Lessons and Achievement

0 Interdisciplinary teams met throughout pilot:

    0 Monthly through Performance Improvement Subcommittee

    0 Look over data and discuss process changes to benefit the project

Project Lessons and Achievement

0 Brief reeducation of staff
  0 DiAngelo's Dailies
0 Changing patient satisfaction process
  0 Old process was paper surveys
  0 New process online through SurveyMonkey
  0 Higher response rate

Data and Metric Collection

O Looking at DSRIP patient population

    O Categorizing patient that would fit in denominator

    O Looking at which metrics already require manual abstraction

O Patient matching criteria

    O Birthdate

    O Cross matching with other demographic information

Learning Collaborative Updates

0 Conference Call with Bergen Regional Medical Center

   0 Reviewed admission process

   0 Confirmed weekend availability

0 Monthly conference calls with other hospitals within the collaborative with similar projects

   0 Feedback on project and referral challenges

   0 Discussed baseline data
